How Deep the Father's Love For Us

Stuart Townsend

Hello my name is **Jody Thomas**, I attended Charlottetown Bible Chapel from Jan 2001 to August 2004 and still love to visit when I get home to the Island. Since July of 2010 I have been doing full time Christian ministry in **Pretoria South Africa**. I work through an organization called Nieucommunities. I do evangelism, discipleship and leadership coaching with refugees or asylum seekers from Zimbabwe in the inner city of Pretoria and surrounding areas. When opportunity arises I try to help these folks in practical ways like, find a job, do up a resume, and navigate immigration and social services in the city.

Zimbabwe is a country north of South Africa, south of Zambia, it used to be one of the most developed African countries in the Sub-Sahara but since the 90's it has had a huge economic decline and a lot of political clashes and tensions. So a lot of Zimbabweans have been crossing the border, (sometimes illegally) into South Africa to look for work and or a better life. However they are often not welcomed by the locals in South Africa and experience a lot of prejudices and full blown racism such as xenophobic attacks (violent attacks on foreigners).

Struggles: Watching my friends suffer and having to trust them to God, when it is beyond my help- being so far from family in Canada-building trust in the community- praying against witchcraft.

Praises: God's financial and relational provision for me while being here, over and above what I could have asked for- Seeing the gospel really change people's lives, especially when they have come out of some pretty bad company which is the case for some of the young gentlemen I have been journeying with.

Prayer requests: Please pray for my own discipleship, spiritual growth, and protection from street crime and witchcraft- Please pray for my forthcoming marriage this year to my fiancé Francine- Pray that things in Zimbabwe will turn around so that that my friends in South Africa can go home.

- Let God have your life; He can do more with it than you can!
- Man's way leads to a hopeless end, God's way leads to an endless hope.
- We don't change God's message, His message changes us.
- When praying, don't give God instructions, just report for duty.

**How deep the Father's love for us,
How vast beyond all measure
That He should give His only Son
To make a wretch His treasure**

**How great the pain of searing loss,
The Father turns His face away
As wounds which mar the chosen One,
Bring many sons to glory**

**Behold the Man upon a cross,
My sin upon His shoulders
Ashamed I hear my mocking voice,
Call out among the scoffers**

**It was my sin that held Him there
Until it was accomplished
His dying breath has brought me life
I know that it is finished**

**I will not boast in anything
No gifts, no power, no wisdom
But I will boast in Jesus Christ
His death and resurrection**

**Why should I gain from His reward?
I cannot give an answer
But this I know with all my heart
His wounds have paid my ransom
(REPEAT)**

Very Happy 80th Birthday wishes to Lomah Moore from all.

A teenager was always asking his father if he could borrow the family car. Pushed to the limit, the father asked the son why he thought God had given him two feet.
 Without hesitation the son replied, "That's easy, one for the clutch and one for the accelerator."
