

CELEBRATE!

EASTER is this month!

When you think about Easter, what comes to mind? Do you think about candy or Easter eggs? What about the Lord Jesus? Do you know why we celebrate Easter.

Do you know what celebrate means? When we celebrate something, we are happy and excited.

There's something happening that's really cool. When we celebrate Easter, we're excited because Easter is the day we remember that Jesus Christ rose again from the dead! It's kind of like Christmas is the day we remember His birth. On Good Friday, the Lord Jesus died on the cross to save ALL of us from our sins. But He didn't stay dead. He came alive again on Easter!

Do you have a Bible? Have your parent or Sparks leader help you look up these verses – 1 Corinthians 15:3-4. If you haven't already, you'll learn 1 Corinthians 15:4 in your handbook. The Bible tells us that Jesus died and rose again! We KNOW it's true because God told us in His Word – the Bible.

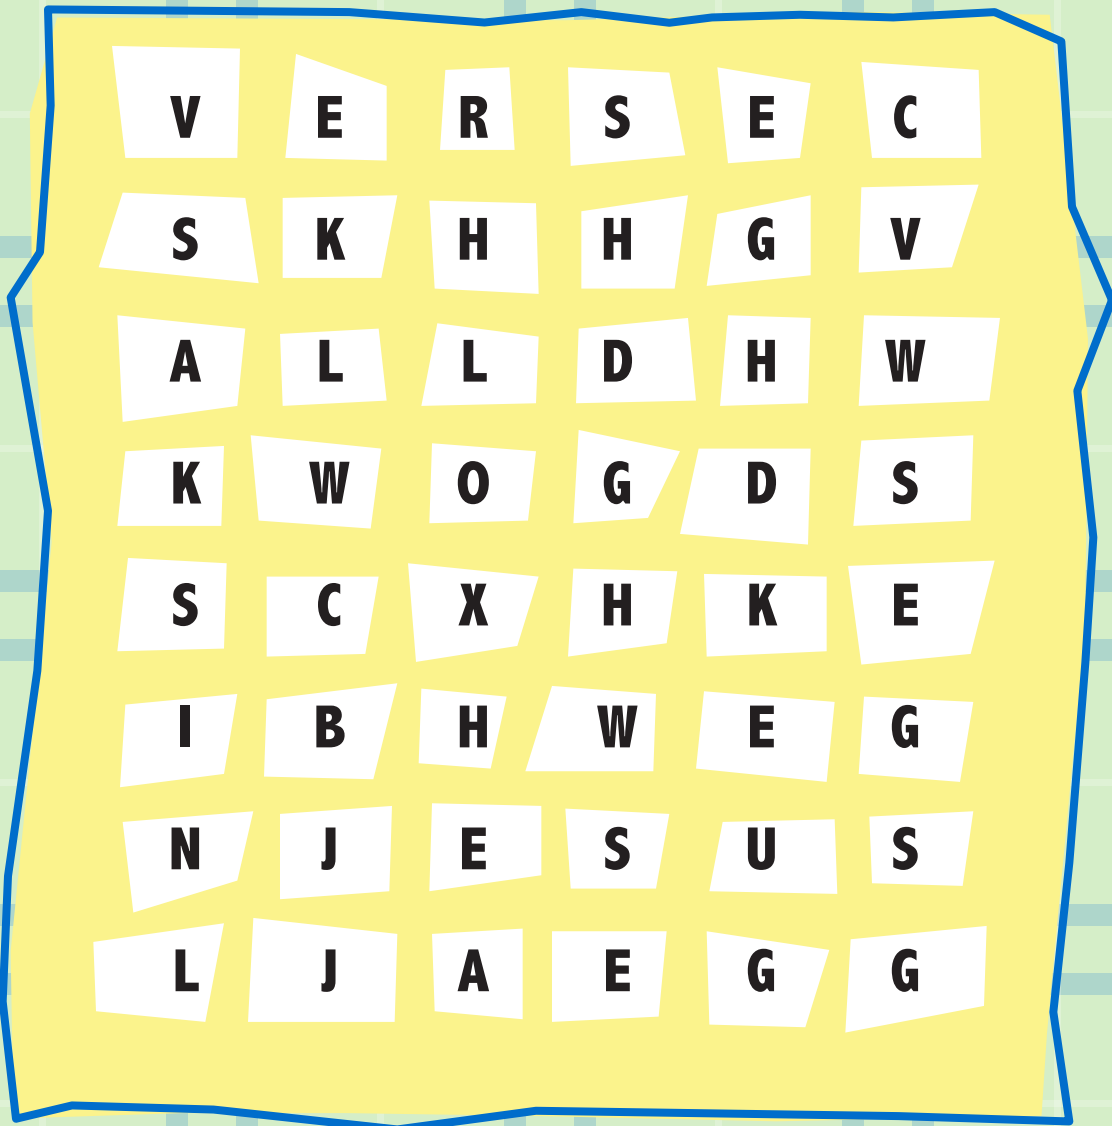

When Easter Sunday comes this year, it's OK to be excited about candy and Easter eggs – but make sure you don't forget why we celebrate Easter. Tell your parent or your Sparks leader why we celebrate Easter. Tell them what celebrate means too!

HAVE FUN!

Because you're growing up to be a **BIG** kid, here's a big kid puzzle. All these words are hidden somewhere in this box of letters. The words might go left to right, or up and down.
