

Let's Thank God!

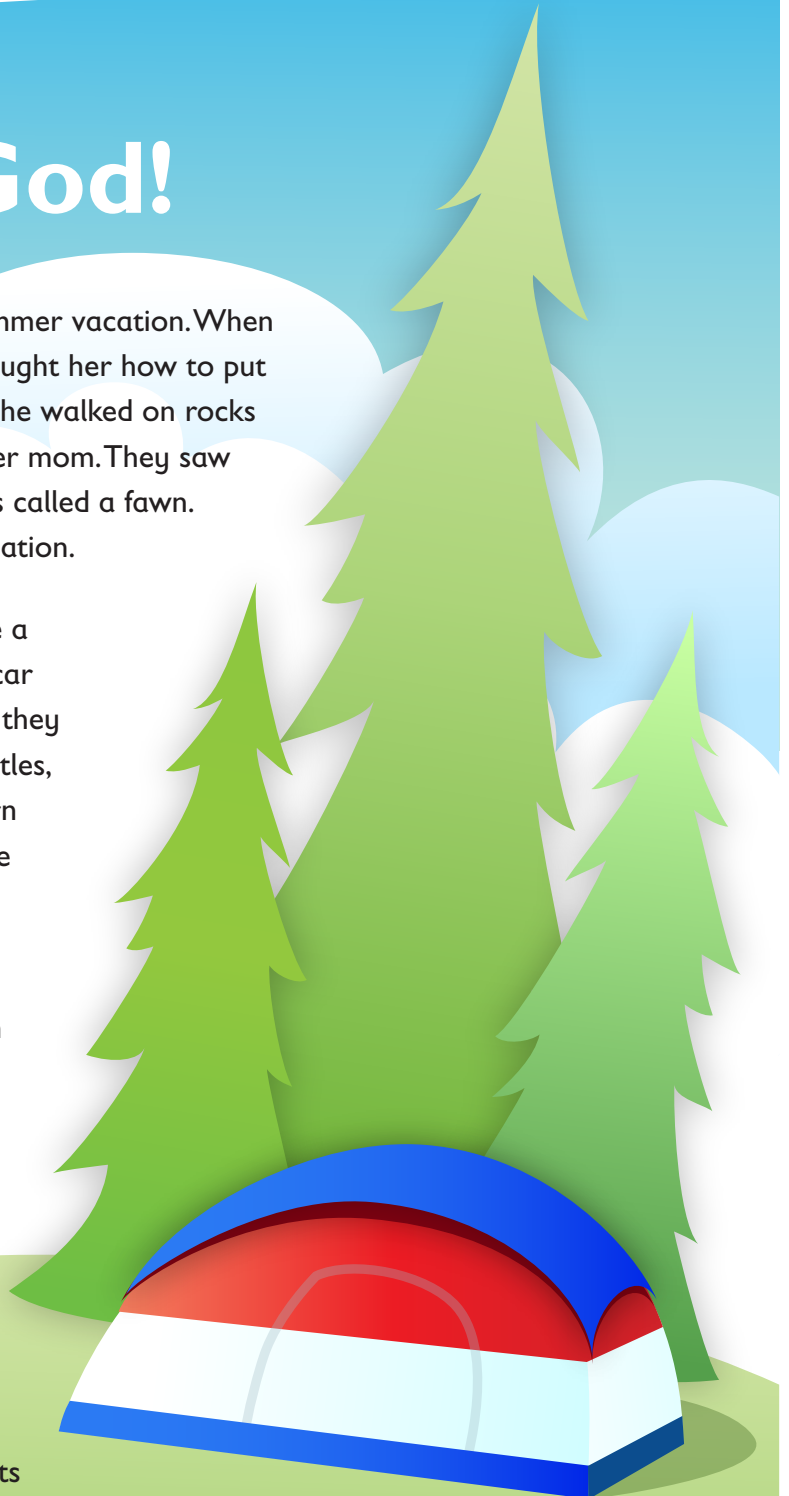

Jenna went camping with her family on her summer vacation. When they got to the campsite, her mom and dad taught her how to put up the tent. They paddled a canoe down a river. She walked on rocks across a stream and followed deer tracks with her mom. They saw a mother deer, called a doe, and its baby, which is called a fawn. She and her parents thanked God for a good vacation.

Kyle went to the beach with his mom. They drove a long way to get to the beach. On the way, their car had a flat tire. A repair man came to fix it. When they got to the beach, Kyle and his mom built sandcastles, splashed and swam in the ocean. Kyle got sunburn on his nose. He didn't like that. His mom put some lotion on it, and he felt better.

Kyle liked most of his summer vacation, but he didn't like the flat tire or the sunburn. Kyle's mom said, "Not everything that happens is fun or good, but God always loves us and He cares for His children. We can thank Him for that — even when you feel bad about your sunburn." She gave Kyle a hug. Kyle thanked God for loving him and for his mom who took care of him.

to the zoo and for picnics in the park. Skyler thanked God for her grandmother and Erik.

One Saturday, she went with her mom and dad to a farmers' market. They bought peaches and made a treat called peach

cobbler. The next day after church they ate it for dessert. Her grandma put vanilla ice cream on top of the cobbler. They had already thanked God for the food, but Skyler thought the peach cobbler was so delicious that she thanked God again!
