Do you have concerns about Bible passages that have bothered you for years?

These faith-strengthening books are designed to give you quick but thorough answers to questions about supposed Bible contradictions and errors. Over 40 questions are answered in each book. #### **Answers Book for Kids: Vols 1-6**

Call # D47

Answers are important. If children aren't given answers to their questions about the Bible and the history it reveals, they cannot defend their faith against a fallen world. The Answers Book for Kids series is a unique collection of question-answer books from Ken Ham and the creative team at Answers in Genesis that meet this need ([answersingenesis.org](http://answersingenesis.org)).

Call # DVD.D25

Get ready to meet the sons of Mike and Libby Wild, a homeschooling missionary family that lives deep in the jungle of a remote Pacific island. These four modern-day missionary kids adventure far into creation and discover the rich wildlife (and tribal life) of the South Seas Islands.

Your family will be inspired as everyone joins in to build a mountain house, then carves an airstrip out of dense jungle flora. Witness "creation care" in action as the Wild brothers adopt orphaned jungle animals. And see what homeschooling in a jungle house looks like, as parents share why family meals and nature adventuring can be so helpful.

Best of all, you'll love allowing your kids to watch again and again as the Wild family shares that knowing and serving Jesus is the ultimate adventure! ([answersingenesis.org](http://answersingenesis.org))
