THE BARBER WHO WANTED TO PRAY

by R.C. Sproul
Call Number: D72
(Children shelf)

This imaginative tale, based on a true story, begins one evening with Mr. McFarland leading family devotions. When his daughter asks him how she should pray, Mr. McFarland shares a 500-year-old story—a story about a barber and his famous customer.

Master Peter is a barber well known to all in his village. One day, when Martin Luther the Reformer walks into his shop, the barber musters up the courage to ask the outlawed monk how to pray. Dr. Luther responds by writing a letter to the barber (a letter that we know today as the book, *A Simple Way to Pray!*) (crossway.org).

GOD IS REALLY, REALLY REAL: 30 EASILY TAUGHT BIBLE DOCTRINES

by Jeff Davenport
Call Number: D70
(Children shelf)

God is Really, Really Real is designed to help teach children

30 essential biblical doctrines in a creative, effective way. As children interact with both the picture book and doctrines, they will become better equipped to understand and confront future doubts and challenges to their faith.

The first half of the book is a rhyming tale that brings children through the Bible and through the modern-day church. The second half of the book features a doctrine with heading, a statement, a Scripture verse, a short explanation, and "Tuck-in Questions" for bedtime. A more in-depth explanation of each doctrine is included in an "Additional Helps" section in the back of the book. Invest a few moments a day and guide your child in establishing a vital foundation of biblical truth! (christianbook.com)
