An Overview of the New Testament for Young Christians by John Maxted – Call Number: Y19 (Youth shelf)

“One of my basic desires as a young man was to set down a simple outline of the books of the Bible. I wish there had been a similar work available to me as a young Christian. I have sought to give the theme, the common words used, and the thrust of the

teaching for each New Testament book. My hope is that a young believer can pick it up and use it as a spring board to each book” (gospelfolio.com).

Jesus Among Other Gods: Absolute Truth of the Christian Message (Youth Edition) by Ravi Zacharias – Call Number: Y20 (Youth shelf)

by Ravi Zacharias – Call Number: Y20 (Youth shelf)

You can't be friends with God if the God you believe in doesn't really exist. You can't depend on God if your God is a figment of your imagination. In a world full of gods, how do you know Jesus is real? In this special youth edition,

“Jesus Among Other Gods” delivers the real facts on why you can trust your whole life to the absolute truth of the Christian message. Helping you understand how Jesus stands in a class by Himself against the claims of Hinduism, Buddhism, Islam, and atheism, this book demonstrates that Jesus is exactly who He said He is: the answer to your biggest longings and the one real God (equip.org).
