

# NOVEMBER'S FEATURED ITEMS FROM THE CHAPEL LIBRARY

## CHURCH HISTORY BOOTCAMP

(Reference DVD shelf)

For Christians, learning about the early church is like looking back into your family tree and learning about your ancestors. And like any family tree there

are some good people and some you might want to distance yourself from.

The presenters cover the entire 2,000 years of church history over four sessions. That's (on average) 500 years per session!

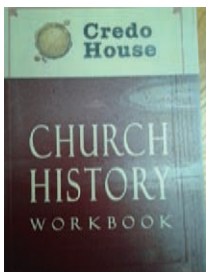

If you've ever felt the need to brush up on the history of the church and don't have the time or money to attend seminary this is the course for you.

The Early Church (70-529 AD): DVD.R10.1+Workbook: R66

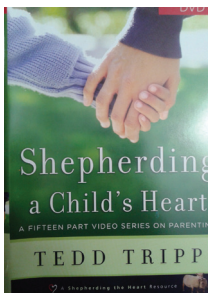

The Medieval Church (529-1516 AD): DVD.R10.2

The Reformation Church (1516-1650 AD): DVD.R10.3

The accompanying workbook is filled with helpful graphics and notes as well as post-session questions you can go through as an individual or within a small group setting ([credohouse.org](http://credohouse.org)).
