How Do We Know God Is Really There? by Melissa Travis
- D60

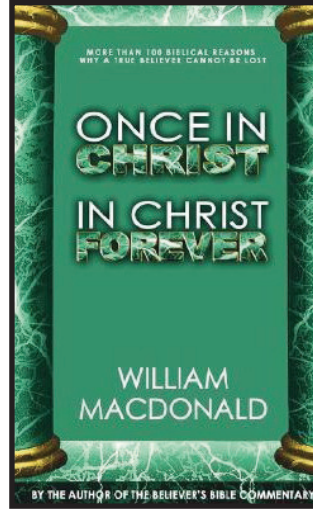

Thomas and his father escape to their backyard tree house most evenings to watch the night sky through a telescope. Thomas is dazzled by what he sees of God's creation, but he has questions. "Dad, how do we know God is out there?" he asks one night. "I know the Bible says He's there. But how do we really know that's true?" Together, Thomas and his father begin to examine the cosmological evidence for God's existence. This is the first in an exciting new series of picture books designed to introduce kids to important questions of the Christian faith in terms even pre-readers can understand. Read this aloud with your family, and you'll come away knowing that "the heavens declare the glory of God and the skies proclaim the work of his hands" (Psalm 19:1) (amazon.com).

In the Backyard of Jesus by Stephen Khoury
- Q14

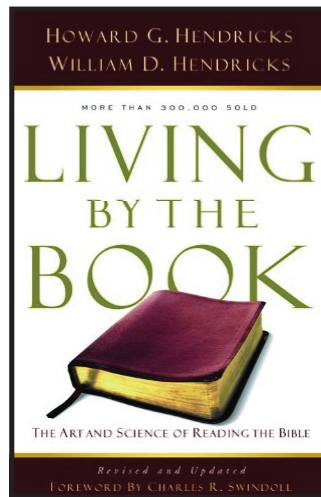

Learn how the youngest Arab pastor in the Holy Land stands up for the name of Christ and how you can too. "This persecution and confrontation drew us close to Christ. To be in the fire that touches lives you must allow yourself to be used by God." --Steven Khoury

Steven Khoury is an Arab and a Palestinian, yet he's a follower of the Messiah. Every part of his life spent in Jesus' earthly "backyard" has been marked by struggle. But Steven's passion is to reach those who oppose Christ with the very love that Jesus exemplified, a love that speaks the truth even when it hurts (persecution.com).

Once In Christ In Christ Forever by William MacDonald
- S77

There are really only two beliefs in the world. There are those who believe they can save themselves and those who believe they need a Saviour. Only Christianity offers a Saviour. And only the Christian gospel guarantees every believer a place in the Father's house. Because "salvation is of the Lord" - plus nothing! In spite of this, many Christians are plagued with doubts on this very subject. When your certainty of eternal salvation goes, your joy also goes. When your joy goes, so does your spiritual strength, because "the joy of the Lord is your strength." The author takes us right to the problem and carefully shows us from God's Word the antidote to spiritual uncertainty. Readable and right on target (gospelfolio.com).

Living by the Book: The Art and Science of Reading the Bible, Revised and Updated by Howard Hendricks
- F96

How would you describe your personal Bible study? Mundane or motivational? Lackluster or lively? Redundant or reviving? Howard and Bill Hendricks offer a practical 3-step process that will help you master simple yet effective inductive methods of observation, interpretation, and application that will make all the difference in your time with God's Word! (christianbook.com).
