SURVEY: Sharing Chapel Announcements

Please take a moment to do this survey so that we find out which ways are the most effective for passing on announcements. All of these communication tools take significant time, so we don't want to spend time on the ones that aren't used. When you have completed it please put it in the SURVEY BOX in the Foyer. Thank you.

How do you hear about announcements: (check any that apply)

COMMENTS & SUGGESTIONS

Are there any comments or suggestions you would like to make about the Bulletin or Monthly Calendar/ Newsletter, Chapel website or Chapel Facebook pages?

What is the difference between a facebook PAGE and a facebook GROUP?

THE FACEBOOK GROUP

- This is a private group that can only be seen by those who are part of it. Those who come to the Chapel on a regular basis can be part of this group. If you are not part of this group, but would like to be added, please, contact Rachel. It is like an e-mail list.
- All Members can post in the group.
- Share announcements
- Share chapel events
- Share other Christian events or events that chapel people would be interested in.
- Share prayer requests
- Share the bulletin
- Share audio message links

THE FACEBOOK PAGE

This is a page that anyone from the general public can see. It is like a website.

- If you click the LIKE button on the page, the info will appear in your facebook newsfeed.
- Only the Admins can make posts.
- This is what is shared there:
 - the bulletin
 - Events related to the chapel that the public are invited to.
 - Audio message links
