Jaws without Teeth
by Ray Comfort
Call Number: K34

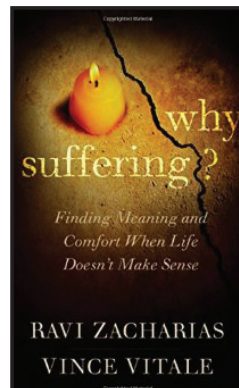

Many Christians are intimidated by atheists, whose carefully crafted questions are designed to rip Christianity in pieces and devour the faith. But a close look reveals that the atheist's arguments are toothless, as harmless as sharks that feed only on plankton. This brief book, in just a few sentences each, will give you concise, common-sense responses to those who embrace the foolishness of atheism and the unscientific and unobservable blind faith of evolution. The more than 200 questions and objections in this publication have been adapted from those asked by actual atheists (livingwaters.com).

Why Family Matters: A Modern Look at an Ancient Truth
Call Number: M74

We live in a world where it's easier to get out of a 30-year marriage than a two-week-old cell phone contract. With divorce rampant, young people think living together is safer than marriage. Our kids have friends who live with Mom one weekend and Dad the next. In such a time of family brokenness, how should we respond? Focus on the Family has been guiding families for over 30 years through loving counsel and biblical truth. In order to champion God's design of the family, we have also become a student of marriage and parenting, researching the latest trends and data. Now we have brought our conclusions to you.

Featuring forewords by Jim Daly, President of Focus on the Family US, and Terrance Rolston, President of Focus on the Family Canada, Why Family Matters will help you understand how modern sociological research supports the ancient institution of marriage and family. These findings will inspire you and others to champion the family as God intended it to be (focusonthefamily.ca).

Why Suffering? Finding Meaning and Comfort When Life Doesn't Make Sense
by Ravi Zacharias & Vince Vitale
Call Number: F114

Why would a loving and powerful God allow so much pain and suffering?

In Why Suffering? Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that, considered together, provide a clear, comprehensive, and convincing answer. Some of these responses have never before been published. Here is a book written with great respect for the complexity of the issue, recognising that some who read it will be in the trenches of deep suffering and others will be questioning the very existence of a loving God. Why Suffering? provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity (www.rzim.eu).

Please remember to SIGN OUT the BOOKS and DVDs that you borrow so that we can keep track of them. Thanks.
