

Charlottetown Bible Chapel ANNUAL FALL CONFERENCE

THE STRATEGIES OF THE ENEMY
And Why the Church Needs to be Prepared

October 25-27, 2024

NATE BRAMSEN

Nate was born and raised in Senegal, West Africa. The defining fact of his life is that, though a great sinner, he met the Savior, Jesus Christ. At the age of 16, God burdened and led him to invest his life into the abused, neglected, and abandoned children of this world for both the sake of time and eternity. In 2006, he had the privilege to begin pioneer work among this demographic of children and in December of 2006, he founded ROCK International (www.rockintl.org).

Receiving his undergraduate degree in Business and Communications from North Greenville University, (South Carolina) and a Masters from Kansas State University in Community Development. His heart is to see this generation become disciples and unconditional followers of Jesus Christ.

In 2018, he married Priyanka (from Houston, Texas) and together they have three daughters. He is the author of "What If Jesus Meant What He Said", "Prosper: Enjoying Intimacy With God", along with "Dive In!"

On the side, he enjoys swimming, adrenaline inducing activities (skydiving, bungee jumping, etc), tennis (table or court) and now, pickleball, underwater hockey (though rarely gets the opportunity to play), and a cup of coffee with a friend.

<p>Book Blurb: <u>What If Jesus Meant What He Said</u> What if Jesus' words were never intended to fit into your existing lifestyle? What if they were meant to change everything? What if Jesus never wanted merely part of your life? What if He wants everything? Instead of offering easy answers, these pages ask difficult questions, leading the reader on a journey with life-altering implications. If Jesus meant what He said, how might His words affect our relationships, investments, speech, perspectives, discipleship, spiritual disciplines, and every other aspect of life? What if the only balanced Christian life is all-out surrender to Jesus Christ?</p>	<p>Book Blurb: <u>Prosper : Enjoying Intimacy with God</u> The word conjures a plethora of thoughts in the mind of most, but in the Word of God, prospering is not found in the plenitude of possessions, physical prowess, or political power. Rather, it is in the sweet savor of meditating on God's Word, soaking in God's law, and intimately knowing the heart of God. Do we live in a state of spiritual poverty when God invites us to truly prosper? What is the journey from merely knowing about God to enjoying intimacy with Him? What if your trying circumstances are actually perfectly suited for you to know and enjoy God more? Written during his bout with cancer, Nate takes the reader on a journey through Psalm 1:2-3 examining thirty-one angles of the blessed life. To prosper isn't an ambiguous idea in Scripture; it is a Divine invitation to all who want to "know their God ... stand firm and take action" (Daniel 11:32). Rather than seeking easy answers, this book requires the reader to ask and contemplate heart-probing questions which investigate the root causes that keep Christ's followers from the joy of intimacy with Himself. The question remains. Are you willing to take the journey?</p>	<p>Book Blurb: <u>Dive in!</u> God revealed to Joshua of old the two keys for spiritual success: KNOWING God's Word and DOING it. The other "Joshua" (Jesus) stated exactly the same thing: "If you KNOW these things, BLESSED are you if you DO them" (John 13:17). It all begins by diving into God's Word. That's what this 28-page booklet is intended to help you do. Nate writes, "The guide I'm about to share with you is but one way to spend time in the Word of God. Over the years, I have used many techniques and formats, but I find this method exceedingly practical. It's not a perfect method, but it is a feasible way to meditate on God's Word and a good place to begin your study." Nate also shows a helpful way to mark and color-code verses in your Bible for greater understanding and retention. But, remember! Spiritual SUCCESS is more than simply KNOWING God's Word (Paul says mere knowledge only puffs someone up in pride, 1 Cor 8:1). This guide pushes you to find LIFE APPLICATIONS of the truths you're about to discover in God's Word. Accept the challenge and take the plunge. Meditate. Do. Succeed.</p> <p>[NOTE: This same information about Bible meditation and marking (without the cool and helpful formatting!) is contained in the appendices of PROSPER, and the Bible meditation method is a bonus feature in WHAT IF JESUS MEANT WHAT HE SAID.]</p>
